MASON AND HARDEE PRISONERS!

FATE OF THORNTON UNCERTAIN

dence of the N. Y. Tribu BALTIMORE, May 10-7 o'clock P. M.

At this time there is no news from Washington by Telegraph from the Rio Grande. The Southern boat at Washington not only failed to connect with he cars, but is reported as just in, being an hour nd a half over the time. The following dispatch from Washington is how-

er important. We understand that the committee military affairs of the House of Representatives held a meeting this morning

ag the immediate passage of a bill authorizing the President to receive 50,000 Volunteers, and apcopriating TEN MILLIONS Dollars or so much hereof as may be necessary for effectual operations against Mexico. The vouchers for the above are Alfred Vail and H. G. Rogers, Asst. Sups. U. S. Tel. Office It is also stated that a Message will be sent to Cor

cess in the morning by the President, urging the ctive cooperation of Congress, and also transmitig the official dispatches from the Seat of War. Twenty minutes past 7.—The Telegraph has just

ounced that the mail has just arrived at Post Office. The dispatch has now commenced as follows: WAR!! To ARMS!! To Arms!! 71 o'clock, P. M .- The Telegraph has just con-

mmand. We cannot say more, as the cars are this moment

leaving for Philadelphia and the North.

Several very important additional particulars will be found in the following Correspondence of The Tribune, which has not before appeared in

The Texas War! Correspondence of The Tribune

NEW-OBLEANS, May 3d, 1846.

Mases, Greeley & McElrath : GENTLEMEN: You can scarcely realize the excitement now existing in this city, created by the prival of the news by the Galveston this morning. Even while I write the cannon are firing in our pubsonnes but why, it is diff for a worse managed affair than this Mexican war was never known. A want of decision on the part of our Government is to result in the loss of hund-

reds of thousands of dollars and hundreds of lives. Immediately on the receipt of the news contained ation \$100,000 for the equipment of Volunteers, and

nation relative to Gen. Taylor's position. The affray of the twenty dragoons took place 23 miles up the river, which runs W. by N. from Matamoros, while Polat Isabel is N. E. of Matamoros; therefore the whole of the Mexican force, 2000 infantry and 12,000 atton in his possession. cavalry across the river, does not lie between Gen.

ommunication can be kept open with Point Isabel by Gen. Cameron at Washington City, confirmatory and his army.

The Union publishes the following letter received tinne their "boring" process, much to the anneyance of members themselves and to the travelers and strangers, and his army.

most critical,—cut off as he is from his supplies at Point Isabel, and surrounded by the enemy, who outnumber him two or three to one. But he can and will make good his position till relieved.

The Governor of Louisiana has already called on the allitia for four regiments of Volunteers. The Washingion Regiment, Col. P. F. Smith, has volunteered al-

wanner required will offer their services, to leave to day, or to-morrow at farthest.

The first object is to protect Point Isabel. The greatgy-probandom is, that the enemy may selze that post before reashreements can reach there from Galveston or this Chy, though we hope not. The steamer New-York left on Thursday for Brazos Santiago, via Galveston, with 189 nem under arms.

Gen. Taylor's supplies, he would be compelled to make a did not discover a single lawyer from your city in attendance, probably for the reason that your own dourts are some two hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that we can probably muster three hundred and fifty that the enemy may selze that post before residence, but there are some two hundred and fifty and probably for the reason that your own dourts are all in session at present.

There seems to be a paucity of business before a single lawyer from your clay in attendance, probably for the reason that give and this post and the defend the place; so ment—all of whom are willing to defend the place; so ment—all of whom are willing to defend the place; so ment—all of whom are willing to defend the place; so ment—all of whom are willing to d

PHILADELPHIA, May 11, 6 o'clock A. M. A Message Expected.

ADDITIONAL FROM THE ARMY. ALLEGED INTERFERENCE OF

ENGLAND! RELIEF FOR THE ARMY Washington May 10, 1846-5 o'clock, P. M. From the news which has arrived, it is clear Gen Taylor has been deceived by the specious pretences of Amundia; and from what I have gathered within a few days. I am convinced this deception extended itself to other important officers. Gen. Worth, two nights ago, stated to Gen. Roger Jones that the Mexican Commander had sent over a message to Gen. Taylor, warning him against marauding bands

There is hardly any doubt now, but, it was a

quisition such disposable force as is at the command of the Executive. I do not proteen to speak in other than general terms of the determination taken to-day, but it is sufficiently known to be depended upon, a Message will be communicated to-morrow, giving a Declaration of War, and submitting a recommendation for an immediate angent state of the day need by suitable surprisingly. engths the President will feel it incumbent to go. I

say, of the Ordnance Department, who is in command at Point Isabel, wherein he states the force consists of eighty men! Some one or two hundred be placed. To show the exigency to which the post is reduced, he mentions that he and two private
